On our end, it'll be AAW, Michael Molina, Ken Wagner, Mike Abboud and William.

Cash, Venmo, check, whatever- we can figure it out. Just need to know at some point who all will be at the region for lunch. On our end, prob only me, Anne, and David G.

Sounds perfect. I trust your judgement. Will reimbursing in cash be easiest?

We'll get fajitas from Matt's Rancho Martinez if that works? We can just get it Favor'ed. I may just bring some kolaches for bfast in case anyone is hungry – after breakfast tacos they are THE PREMIERE BREAKFAST ITEM!

Thank you, Erin. I think a catered lunch would be good – do you have any local suggestions?

If it's ok with you, I think we can forgo breakfast (AAW doesn't typically like breakfast). At most, perhaps we could do something simple, such as bagels or donuts?

Latest schedule and invitees below. We'll plan on covering the items we discussed on the call last week if they're ready to roll (SSM SIP Call, SIP Requirements Rule, SO2 Error Corrections, petroleum standards action). We think this group would also appreciate a WOTUS update. Anything else?

If you have any thoughts on the invitee list, let me know. I'll call the industry folks today.

Potential run of show

- 8:15-8:45a: Breakfast meeting with RA
- 8:45-9:30a: Senior leadership meeting
- 9:30-9:45a: Union rep meeting
- 9:45-10a: Break
- 10a-11a: All hands in person/streamed
- 11:15a-11:45p: Lunch
- 11:45-1:15p: Outside group meeting
 - Invited (they may send alternates, still working on final list):
 - Governor Greg Abbott (likely will be his environmental policy advisor) — invited;
 - Texas Commission on Environmental Quality Chairman Jon Niermann (+Special Counsel Jim Rizk) — **confirmed**;
 - Texas Railroad Commission Commissioner Wayne Christian (+Chief of Staff) — invited;
 - Texas Water Development Board Chairman Peter Lake (+Chief of Staff Tara Rejino) — **confirmed**;
 - Texas Oil & Gas Association President Todd Staples — will invite today;
 - Texas Chemical Council President & CEO Hector Rivero — will invite today; and
 - Texas Pipeline Association President Thure Cannon — will invite today.

- 1:15p: Depart R6
- 3:13p: Flight out of DFW

Once this is confirmed, we'll make sure staff has the necessary events on their calendars.

Thanks,

Adding Michael but Erin sent us options yesterday and looks like AAW is good with doing the industry meeting. Erin- can you share with RJ those details?

I can't make the call at 4:30 after-all but will call Clint to get the latest. Anne/Clint/ RJ- the state of tx is current sending folks to the "outside group meeting" in the draft run of show below. It's intended to be a meeting on the new northeast tx water reservoir, but I bet Anne can open it up to air issue announcements as well.
